Fees and pricing
August 2021 – July 2022

Introduction

At Innovate Awarding, we believe in being open and transparent in the way we operate and this includes the fees for services we offer.

We update our fees list annually on 1st August of each year but we will continue to update this fees list when new qualifications are added to our wide-ranging portfolio.

About us

Innovate Awarding is a national awarding organisation regulated by Ofqual, with a passion for doing things differently.

We offer a great range of qualifications in multiple sectors but we can also develop fully bespoke qualifications to a timescale that suits you. We pride ourselves in our excellent customer service and responsiveness to business needs.

Our fees structure is transparent and straightforward and we would love to talk to you about how we can work together. Please do not hesitate to email us at contactus@innovateawarding.org or call us on **0117 314 2800**.

Centre and administration fees

Approval

Becoming an approved centre

Becoming an approved centre really couldn't be easier. Simply complete the centre approval application form on our website or send us an email and we'll do the rest. No red tape and no fuss - you are just a few short steps away from becoming an Innovate Awarding approved centre.

Please visit innovateawarding.org to find out more.

The qualification fees listed in this document include registration, external quality assurance and certification.

Registration costs

Minimum annual registration fee

If a centre's total spend on registrations does not meet the minimum annual registration fee within a one year period (1st August - 31st July) the centre will be charged the difference between minimum annual registration and actual registration spend (reduced by 50% in the first year). This will be billed annually on 1st August.

External quality assurance

1 to 1,000 learners	up to two free activities per year
1,000 to 5,000 learners	up to three free activities per year
5000+ learners	up to four free activities per year
