Re-sits

Innovate Awarding [IAO] offers one free re-sit per multiple-choice test, where included within a standard. Component assessment re-sits will be charged per assessment available overleaf.

External quality assurance

IAO is subject to external quality assurance for each standard. There is no additional charge payable for this requirement.

Payment

IAO will invoice for payment in full for each learner following the gateway process. Payment terms 30 days.

Should a candidate withdraw from any part of the assessment once the planning meeting and a component part of the End-point Assessment has taken place, then our reasonable costs (i.e. those we have already incurred in arranging the assessment of the remaining components) will be incurred.
