

# Qualifications

Fees and Pricing 2025

## Introduction

Here at Innovate Awarding, we believe in being open and transparent in the way we operate. This includes openly publishing the fees for our Qualifications services with no hidden charges. We update our fees list annually in August each year, but we also update the list regularly as new Qualifications are added to our ever-growing portfolio.

## About Us

We are Innovate Awarding, an independent national awarding organisation with a 'no surprises approach to assessment'. We provide End-Point Assessment services for Apprenticeship Standards, and vocational Qualifications for work-based learning and transitioning to work, across 15 sectors and growing. We are regulated by Ofqual and approved by the ESFA to deliver End-Point Assessment.

Reputation is of the utmost importance to us, whether this be from those that regulate us, those that compete against us, the employers and providers we work with, or the learners and apprentices we serve.

Our clients are our partners for life. They work with us not only because of the quality of our End- Point Assessments and Qualifications, our commitment to compliance or our personalised service - but because of our people. The expertise and support of our people are what make the difference in delivering true value.

If you would like to talk to us, email:

[coordinators@innovateawarding.org](mailto:coordinators@innovateawarding.org) or call **0117 314 2800**.

## Centre and Administration Fees

### Approval

Becoming an approved centre really couldn't be easier. Simply complete the centre approval application form on our website or send us an email and we'll do the rest. No red tape and no fuss - you are just a few short steps away from becoming an Innovate Awarding approved centre.

Please visit [innovateawarding.org](https://innovateawarding.org) to find out more.

The qualification fees listed in this document include registration, external quality assurance and certification.

### Registration Costs and Fees

If a centre's total spend on registrations does not meet the minimum annual registration fee within a one year period (1st August - 31st July) the centre will be charged the difference between minimum annual registration and actual registration spend (reduced by 50% in the first year). This will be billed annually on 1st August.

### External Quality Assurance

- 1 to 1,000 learners up to two free activities per year
- 1,000 to 5,000 learners up to three free activities per year

Activity	Fee	Notes
